

2017 SRM 15-18 Girls Acceptance Criteria

The 2017 SRM field will consist of approximately 35 players from the categories below, including tournament committee special exemptions (39 total including the 4 qualifier spots). Spots will be filled by applicants from these categories in numerical order. All applicants from categories 1-6 will be automatically accepted, regardless of the number. Once the field is full (accepting applicants in category 1 first, 2 next, and so on) applicants from lower categories will not gain entry unless earning a spot through one of the qualifying rounds, with only the oldest age divisions considered.

- Additions:
- A. The entry committee reserves the right to exempt & accept additional players that don't meet the specified criteria.
- B. Anyone not in the top 35 of the listed entrance criteria can still gain entry through one of three 18 hole qualifiers:
- ◆ Naples, FL April 22nd (2 spots available)
 - ◆ Roanoke, VA April 29th (2 spots available) May 17th (1 spot available)
- *Each player is allowed only one qualifying attempt.

Example: If 33 players apply from the first 7 categories, all of those applicants will be accepted (this includes any special exemptions granted by the entry committee). If eight other players have applied from category 8, then the first two of those will be accepted (based on the order of the criteria) to reach 35 total. The six other players in category 8 not chosen and the remaining players that meet the lower criteria will be ranked in order by the committee as alternates and will then only earn entry through a qualifier, or if their alternate spot is needed. The four spots being held for the qualifiers will bring the field to a total of 39 players. The field size may be reduced if the number of applicants from the nine categories is less than 35 (in that case, the entry committee reserves the right to fill out the field with players not meeting any of the entrance criteria, and will base selections on a review of player applications). Each player's position within each category is determined by the order of each tournament listed. Using category 8 for example, the order would be the Golfweek International Junior Invitational, Joe Cheves Jr. Invitational, Sea Pines Jr. Heritage (2017), Bubba Conlee Invitational, 2016 IMG Academy Junior World Championship (finals only), 2016 IMG Academy Junior World Florida Challenge

Note: The SRM entry committee reviews the exemption criteria yearly and makes changes as necessary. All entry committee decisions are final.
